DEPARTMENT OF COMMERCE AND ECONOMIC OPPORTUNITY AGENCY PROFILE

DCEO Mission Statement:

To support and maintain a climate that enables a strong economy for our customers – taxpayers, businesses, workers and communities – by keeping, attracting, and growing businesses, maintaining a skilled workforce, and enhancing communities so that the climate here is one in which businesses, small and large, and workers, can succeed to the greatest extent possible.

EEO/AA Challenges

The Department strives to have its workforce diversity reflect the demographics of the State of Illinois. Efforts towards this goal are an ongoing part of the Department's hiring practices. Over the last few years, the Department has worked to increase alignment in exempt, merit comp and bargaining unit positions, however, continued efforts to recruit and retain a diverse workforce are needed.

Analysis of the report identifies four key focus areas, two numeric goals and two programmatic goals.

a) Numeric goal - Increase representation of the Asian American candidates to improve parity with state demographics.

The data identifies there is an underutilization of four (4) for Asian Americans in the workforce, with region 1 Chicago having one (1) off for parity and region 7 Springfield having three (3) off for parity.

b) Numeric goal- Increase representation of persons with disabilities to improve parity with state demographics.

The data identifies that there is an underutilization in numbers for persons with disabilities by one (1) for parity in the agency. This is a new numeric goal for FY23.

c) Programmatic Goal = Increase representation of Black/African American males to improve the gender equity category.

The data identifies that among all racial groups, except for Black/African Americans, there is equity amongst gender. The recruitment focus is to continue to recruit and hire more Black/African American **males** with emphasis in the Officials/Administrator and Professional categories.

d) Programmatic Goal - Increase minority representation in the Officials/Administrators EEO job category. The data identifies that minorities are still underrepresented in this category with over 73% of the workforce comprised by white males and females.

Some of the challenges the Department faces in recruiting a diverse workforce is in casting a wide enough net to reach qualified diverse candidates and ensuring there is diversity within the internal and external pipeline for bargaining unit positions. Several positions in the Professional category are a part of the AFSCME bargaining unit and must be filled in accordance with the Master Contract agreement. Therefore, to diversify bargaining unit positions, recruitment efforts must allow for targeting and onboarding of new diverse candidates.

The Department's Offices of Employment Opportunity Monitoring and Compliance and Human Resources have an action plan that includes strategies to target outreach to diverse candidates and collaborate with external partners to ensure the process allows for their recruitment and retention.

SECTION 4

EQUAL EMPLOYMENT OPPORTUNITY COMPLAINT INVESTIGATION PROCEDURE

Policy

The agency affirms its commitment to a policy of equal employment opportunity through the implementation of an EEO complaint investigation procedure to promote the internal resolution of employee complaints of alleged discrimination. It is the conviction of the agency that the establishment of this complaint investigation procedure shall provide an internal avenue of redress to informally resolve complaints of alleged discrimination at the lowest organizational level, reducing the backlog, delay, and expense of a prolonged formal investigation.

To that end, the EEO Officer and General Counsel will work in a concerted effort during the investigation of complaints, documentation of facts, the presentation of findings, and recommendations to resolve the alleged discriminatory issue(s).

The use of this internal EEO complaint investigation procedure does not preclude the rights of an employee to file a charge directly with the state (Department of Human Rights) or the federal government (Equal Employment Opportunity Commission or any other appropriate government agency). The filing of any complaint of alleged discrimination may not be used as a basis for future retaliation adversely affecting the rights of any employee.

Procedures

The Internal EEO Complaint Form (attached) shall be used to clearly record the date, nature, and other pertinent information of the complaint of alleged discrimination submitted to the EEO Officer. The form is also available on the Department's intranet.

All complaints alleging a violation of the equal opportunity provisions must be filed with the EEO Officer within **10** working days from the alleged violation.

The EEO Officer will forward the complaint within <u>5</u> working days from the date of receipt of the complaint to the Department's General Counsel or designee who will process it and begin an investigation.

Copies of the complaint are kept in a confidential location on file with the Department's General Counsel and the EEO Officer. Upon request, the EEO Officer will provide technical assistance to the General Counsel or designee throughout the investigatory process.

Upon completion of the investigation, the General Counsel or designee will develop a written report of the investigation findings. The report will be sent to the Director for review. The General Counsel or designee will prepare and send a finding letter to both parties involved.

The employee also has a right to file a formal charge within <u>300</u> days of the alleged violation with the with the Illinois Department of Human Rights and/or within <u>300</u> days of the alleged violation with the U.S. Equal Employment Opportunity Commission concurrently with the filing of an internal complaint.

AMERICANS WITH DISABILITIES ACT POLICY

It is the policy of the Illinois Department of Commerce and Economic Opportunity to comply with the provisions of the Americans with Disabilities Act 1990, 42 U.S.C.A. Section 12101, et seq ("ADA"), as amended by the ADAAA of 2008, and the Illinois Human Rights Act. The ADA prohibits discrimination against qualified individuals with disabilities on the basis of their disability. The ADA provides, in part, that qualified individuals with disabilities shall not be excluded from participating in or be denied the benefits of any programs, service or activity offered by the Department.

The ADA requires that all programs, services, and activities, when viewed in their entirety, are readily accessible to and usable by qualified individuals with disabilities. The Department must communicate effectively with individuals with speech, visual and hearing impairments and provide auxiliary communication aids to those benefiting from the Department's programs, services, or activities to afford equal opportunity.

DIRECTOR'S EEO/AA POLICY STATEMENT

The Department of Commerce and Economic Opportunity (DCEO) is deeply committed to advancing equity and promoting a culture of diversity and inclusion through its programs and workforce.

DCEO is committed to enforcing and improving hiring practices and policies that are inclusive and help promote a workforce that is diverse in race, color, religion, sex, sexual orientation, age, and disability. The Department's Equal Opportunity and Affirmative Action Plan provides a review of our progress towards attaining a workforce reflective of the people we serve and where we have additional room for improvement.

Under my leadership I seek to foster a culture and climate committed to the inclusion of all people within our agency as well as our external programs and partners. I am passionate and committed to ensuring the full and effective utilization of all qualified persons in this great state regardless of race, color, religion, sex, sexual orientation, age, physical or mental disability, marital status, ancestry, national origin, order of protection status, military status or political affiliation or other factors which cannot be lawfully used as the basis for an employment.

This expectation also extends to all activities and programs which are conducted statewide by other agencies, institutions, organizations, or political subdivisions where service(s) and/or financial assistance are made available by the Department through grants, contracts or other arrangements using federal or state funds.

To affect this goal, the Department recently convened a Diversity Equity and Inclusion Committee where a diverse group of employees will provide research and strategy to shape and direct policies and procedures which support and implement Equal Opportunity goals both internal and external.

REASONABLE ACCOMMODATION POLICY

I. INTRODUCTION

The Americans with Disabilities Act of 1990, 42 U.S.C. 12101 et seq. (ADA), as amended by the ADAAA of 2008, prohibits discrimination against a qualified individual with a disability in regard to job application procedures, the hiring, advancement, or discharge of employees; employee compensation; job training; and other terms, conditions, and privileges of employment. [Section 102 (a)]

An employer must make reasonable accommodations to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless such covered entity has demonstrated that the accommodation would impose an undue hardship on the operation of the business of such covered entity. [Section 102 (b) (5) (A)] However, each individual is responsible for initiating the request for reasonable accommodation, if such individual believes such accommodation is required to enable him/her to perform the essential functions of the job.

The policy and procedures set forth herein are also intended to meet the requirements of the Illinois Human Rights Act (Ill. Rev. Stat. 1989, ch. 68, para 1-101 et seq.) and Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as well as the ADA, as amended by the ADAAA of 2008.

II. POLICY

In accordance with the law and regulations, it is the policy of the Illinois Department of Commerce and Economic Opportunity (hereinafter "the Department"):

- A. to inform employees and applicants about the Department's policies and of the right to reasonable accommodations and
- B. to provide any and all such reasonable accommodations in the most cost-effective manner available unless it would impose an "undue hardship."

This policy is intended to comply with the applicable laws and is not intended to create any legal or contractual rights or obligations. For the purpose of this policy, the term "employee" shall include "applicant" and "prospective employee."

III. REASONABLE ACCOMMODATIONS COMMITTEE (RAC)

A. PURPOSE

The purpose of the RAC is to effectively implement this policy.

B. MEMBERSHIP

The RAC consists of the following staff members:

- 1. Deputy Director of Human Resources
- 2. Chief Operating Officer
- 3. EEO Officer
- 4. ADA Coordinator

C. DUTIES

The RAC provides technical assistance to our employees on technology, the ADA Title V of the Rehabilitation Act, accessibility standards and employee relations as it relates to requests or potential requests.

The RAC will maintain documentation regarding RAC requests in order to:

- 1. provide appropriate budget information and projected cost analysis for future budget cycles to the Budget Division;
- 2. lend consistency to the system of the provision of accommodations and ensure nondiscrimination in the treatment of employees;
- 3. ensure that requests are processed, approved and accommodations provided in a timely manner;
- 4. provide reports on employee accommodations and costs to regulatory agencies.

As necessary, the RAC shall provide periodic reports, including the above documentation, to the Director for information/action. All reports shall be developed in a manner which protects the confidentiality of the employee.

IV. REASONABLE ACCOMMODATION

- A. A reasonable accommodation is a modification or adjustment to a job application process and/or the work environment that enables qualified applicants or employees to be considered for a position, to perform the essential functions of a position and to enjoy equal benefits and privileges of employment. ADA regulations: 29 C.F.R. 1630. 2(o) (1)
- B. Reasonable Accommodation may include, but is not limited to:
 - 1. making existing facilities used by employees readily accessible to and useable by individuals with disabilities;
 - 2. job restructuring; part-time or modified work schedules; reassignment to a vacant position; acquisition or modification of equipment or devices; appropriate adjustment or modification of examinations, training materials or policies; the provision of qualified readers or interpreters; and other similar accommodations for individuals with disabilities. Section 101(9) of the ADA.

The determination of which accommodation is appropriate in a particular situation will be made on a case-by-case basis and involve the employer and employee in a flexible, interactive process whereby the employee identifies the precise limitations imposed by the disability and along with the employer explores potential accommodations that would overcome those limitations.

NOTE: The ADA permits employers to choose the accommodation which is lowest in cost if such accommodation provides a similar result to a more costly accommodation.

- D. Reasonable accommodations may be categorized in the following manner:
 - restructuring/modifications accommodations, including, but not limited to job restructuring by removal of non-essential tasks, job modifications, rearrangement of office furniture, removal of desk drawers, flexible time to allow for transportation and/or medical schedules;

- 2. technological/accessibility accommodations, including, but not limited to dictating machines, voice activated equipment, Telecommunication Device for the Deaf (TDDs), hand controls for dictating devices, speakerphones, telephone amplifiers, teletypewriters (TTY's), Braille typewriters, orthopedic desk chairs and other adaptive office furniture, looping systems, etc., as well as architectural modifications. In recent years, digital technology has evolved rapidly and is making the TTY obsolete. To find out more about these new devices and services please contact the Illinois Deaf and Hard of Hearing Commission, 1630 S. 6th Street, Springfield, IL 62703 or 217-557-4495;
- 3. assistive care accommodations including the utilization of additional persons such as readers, drivers, interpreters, and attendants who specifically assist an individual in performing the essential duties of the job.

NOTE: A reasonable accommodation pertains only to the employee and does not include family members. Some types of accommodations need not be on an individual basis if available at the work site and if used by two or more individuals will not impede job performance.

V. UNDUE HARDSHIP

- A. "Undue hardship" means significant difficulty or expense in, or resulting from, the provision of an accommodations. It refers to any accommodation that would be unduly costly, extensive, substantial, or disruptive, or that would fundamentally alter the nature or operation of the business of the agency.
- B. Whether an accommodation will impose an undue hardship must be analyzed on a case-by-case basis. Factors to be considered in determining whether an accommodation would impose an undue hardship on the Department may include, but not be limited to: (1) the nature and net cost of the accommodation needed; (2) the overall appropriations of the facility or facilities involved in the provision of the reasonable accommodation, the number of persons employed at such facility and the effect on expenses and resources; (3) the overall appropriation of the Department withrespect to the number of employees and the number, type, and location of its facilities; (4) the type of operation or operations of the Department, including the composition, structure and functions of the workforce of such agency, and the geographic separateness and administrative or fiscal relationship of the facility or facilities in question to the Department; and (5) the impact of the accommodation upon the operation of the facility, including the impact on the ability of other employees to be able to perform their duties and the impact of the facility's ability to conduct business.
- C. A requested accommodation may be denied if it is unduly disruptive to other employees or to the functioning of the business of the agency. To demonstrate the accommodation may be denied if it is unduly disruptive, the disruption must result from the provision of the accommodation, not from the fears or prejudices of other employees toward the individual's disability. The terms of a collective bargaining agreement may be relevant.

VI. PROCEDURES FOR PROCESSING REQUESTS FOR REASONABLE ACCOMMODATIONS

- A. The determination of reasonable accommodations for qualified employees who require such to overcome a physical or mental impairment in performance of job duties must be conducted at the request and with the consultation of the employee.
 - 1. A person with a disability may be qualified for a position vacancy if the person satisfies the requisite skills, experience, education, and other job-related requirements of the employment position, as set forth in standardized Department of Central Management Services' requirements, and with or without reasonable accommodations can perform the essential functions of the job.

- 2. Essential job functions vary with individual job descriptions and would include those physical, mental, and inter-personal activities necessary to achieve the anticipated job performance effectively.
- 3. A determination as to a reasonable accommodation for one person will not be treated as a precedent for another person.
- B. The employee must request any and all reasonable accommodations on a Request for Reasonable Accommodation form. The employee is responsible for adequately responding to all questions as applicable on the form. Once completed, the form shall be transmitted by the employee to the immediate supervisor, or by the prospective employee to the interviewing supervisor. The employee should retain a copy of the request form.
 - 1. If requested by management, the employee shall submit medical documentation to support the need for the accommodation. When additional information becomes available, the employee should submit it in writing to the immediate supervisor for transmittal to the RAC.
 - 2. Technical assistance is available to the employee and supervisor(s) from the Office of Human Resources upon request.
- C. The immediate supervisor or interviewing supervisor shall make a recommendation regarding the request within five (5) working days of receipt and forward the request to the appropriate Deputy Director who shall have five (5) working days to review and provide a recommendation on the request form.
- D. The Deputy Director shall forward the request to the Office of Human Resources Office for review by the RAC.
- E. Unless the appropriate reasonable accommodation is obvious to either or both the agency and the qualified individual with a disability, all reviewers and the Committee will, use a problem-solving approach.
 - 1. Analyze the job involved and determine its purpose and essential functions.
 - 2. Consult with the individual with a disability to ascertain the precise job-related limitations imposed by the individual's disability and how those limitations could be overcome with a reasonable accommodation.
 - 3. In consultation with the individual to be accommodated, identify potential accommodations, and assess the effectiveness each would have in enabling the individual to perform the essential functions of the position.
 - 4. Consider the preference of the individual to be accommodated and select and implement the accommodation that is most appropriate for both the employee and the agency.
- F. All reviewers shall consider the request based on the following criteria: (1) the relationship between the accommodation and the essential job functions, (2) necessity, (3) cost effectiveness,
 - (4) undue hardship to the agency, and (5) compatibility with existing equipment (where applicable).
- G. Within ten (10) working days, the RAC will act upon the request and report accommodations to the Director. If further information is required to make a recommendation, the employee shall be given thirty (30) days to provide such documentation and the required 10 working day(s) time

period shall begin when the additional information is received.

- H. The Director will make the final decision within five (5) working days of receipt. A copy of the Director's decision and the RAC's recommendation will be returned by the ADA Coordinator to the appropriate Deputy Director who will coordinate implementing the approved request with appropriate staff. A copy of the Director's decision and the RAC's recommendation will also be sent to the employee by RAC within five (5) working days of receipt of the Director's decision.
- I. The time limits provided in this section may be extended up to thirty (30) days if circumstances warrant (e.g., absence of a person needed to make determination, additional information required, etc.).

VII. RECONSIDERATION

If the employee wishes to ask the Director to reconsider a decision on a Reasonable Accommodation request, the request shall be addressed to the Director within ten (10) working days of notification of the decision. The request shall include the reasons for the request and, if appropriate, alternative suggestions for reasonable accommodations. A decision shall be made, and the employee notified within ten (10) working days of receipt of the request. The decision constitutes the final administrative action of the Department on the request.

An employee who has been denied accommodation has the right to file a complaint at the state level with the Illinois Department of Human Rights within 180 days of the denial of the request. An employee may also have the right to file a complaint with the U.S. Equal Employment Opportunity Commission.

VIII. IMPLEMENTATION

- A. When implementing the approved request, the appropriate Deputy Director shall provide the following:
 - 1. If the requested accommodation is within the restructuring or modification category, the job will be modified/restructured with assistance from the Deputy Director and the Office of Human Resources. When the supervisor, manager, appropriate Deputy Director, and employee are all in agreement, the supervisor shall provide the accommodation; or,
 - If the requested accommodation is of a technological/accessibility or assistive care nature, the appropriate Deputy Director will coordinate purchase of equipment or devices, or initiate contracts, with the Department's ADA Coordinator within the Office of Human Resources.

B. Expenditure Procedures

- 1. In carrying out its expenditure obligation responsibilities, the Office of Financial Management relies on Departmental business unit managers to obtain all required approvals before making a commitment for expenditure of agency funds, to ensure that all purchases are consistent with State of Illinois and the Department's procurement policies and procedures, and to initiate steps required to encumber the funds through the Expenditure Planning and Control (EPC) system.
- 2. As part of the process for purchasing goods or services using agency funds, managers are required to initiate an entry for the planned purchase into the EPC system to commit the funds within the Department's accounting system. Depending on the type of purchase, the business unit is also required to produce and approve an expenditure authorization document such as:

- Contract Obligation
- o Data Processing Contract Obligations
- Purchase Requisitions
- 3. In general, goods under \$10,000 and professional services not exceeding \$5,000 are procured on either a purchase requisition (non-EDP goods) or an EDP Purchase Request; any purchase exceeding those thresholds must be procured on a contract.
- 4. All expenditure authorization documents or contracts regarding reasonable accommodation requests should clearly reflect within the document that it is in fact a "reasonable accommodation" purchase.

Pursuant to the requirements of state and federal laws, a qualified individual with a disability has the right to request reasonable accommodation in conjunction with his or her employment. Reasonable accommodation means a modification to application procedure, access to the work site, and adjustment to the work process or work schedule that would enable a person with a disability to perform a job. Employers are not required to provide accommodations that would impose undue hardship on the operations of their programs. The procedures for accommodation request appear on the back of this form. Completed accommodation request forms should be submitted to the immediate supervisor, with a copy to the agency's EEO/AA Officer and/or the ADA Coordinator. The agency EEO/AA Officer and/or the ADA Coordinator can respond to questions about the accommodation process.

Accommodation Request Procedures for Employees

The following procedures should be followed in processing reasonable accommodation requests from employees. The agency EEO/AA Officer and/or the ADA Coordinator can provide guidance on the accommodation process.

- 1. The employee shall submit a completed reasonable accommodation request form to his or her immediate supervisor and give a copy of the form to the agency EEO/AA Officer and/or the ADA Coordinator. The employee should retain a copy of this information in his or her files.
- 2. Once received, the supervisor shall review the request form for completeness and, in consultation with the EEO/AA Officer and/or the ADA Coordinator, determine whether medical documentation is needed to either establish the presence of a disability or determine an appropriate accommodation. If documentation is needed, the agency should narrowly tailor its request to the issues of whether the employee has a disability under the law and how he or she can be accommodated. The employee should be asked to complete a medical release form (also narrowly tailored) if the agency has additional questions upon review of the medical documentation. When necessary, the employee should be asked to provide documentation to address these issues.
- 3. Upon receipt of necessary documentation, the supervisor shall make a recommendation, in writing, to the Division Manager within five (5) working days.
- 4. The Division manager shall review the supervisor's recommendation and make a recommendation to the Reasonable Accommodation Committee (RAC) within five (5) working days of receipt of the supervisor's recommendation. The Division Manager shall forward his/her recommendation along with the original reasonable accommodation request form and all documentation to the agency's EEO/AA Officer and/or the ADA Coordinator.
- 5. The EEO/AA Officer and/or the ADA Coordinator shall convene a meeting of the Reasonable Accommodation Committee within ten (10) working days of receipt of the Division Manager's recommendation. The RAC shall review the accommodation request. Once the Committee's review is complete, the Committee's recommendation shall be submitted to the Director within five (5) working days of the Committee's review for the Director's approval or denial.
- 6. The Director shall review the RAC's recommendation and shall render a decision of denial or approval within five (5) working days of receipt from the RAC.
- 7. Provided that appropriate documentation has been submitted, the EEO/AA Officer and/or the ADA Coordinator shall inform the employee in writing of the agency's decision to grant or deny the request within thirty (30) working days of receipt of the completed request form and any necessary medical documentation. A copy of the response will also be sent to the supervisor.
- 8. If the Director approves the accommodation request, the agency shall take appropriate action to comply with the accommodation request. Approved accommodation requests shall be implemented as soon as possible. Please note that the agency may offer alternative suggestions providing an equally effective accommodation to remove the workplace barrier in question.
- 9. Reconsideration: If an employee wishes to ask the Director to reconsider a decision on a reasonable accommodation request, a written request shall be addressed to the Director within ten (10) working days of notification of the decision. The reconsideration request shall include the reasons that a reconsideration is being requested and, if appropriate, alternative suggestions for reasonable accommodation. After a complete review of the matter, a decision shall be made, and the employee shall be notified. The Director's decision on this recommendation shall constitute the final internal action by the Department on the accommodation request.
- 10. An employee who has been denied accommodation has the right to file a complaint at the state level with the Illinois Department of Human Rights within 300 days of the denial of the request. An employee may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC) within 300 days.
- 11. The EEO/AA Officer and/or the ADA Coordinator shall document any action taken on a reasonable accommodation request where indicated on the request form and shall retain completed accommodation request forms one year following final action in the matter.

PHYSICAL BARRIERS

The Department rents space in two office buildings in Springfield, 500 East Monroe and 607 East Adams. Both buildings are historic and do not have some of the more modern conveniences or standards of newer buildings. However, both buildings, which are managed through the Illinois Department of Central Management Services, meet the minimum ADA requirements.

The state facilities in Chicago, at 555 West Monroe Street, and in Marion, at 2309 West Main, are also managed by CMS.

PROCEDURAL BARRIERS

A. Pre-Employment Screening

The ADA prohibits an employer from making any pre-employment inquiries regarding an applicant's physical or mental disability.

According to the ADA, employers may ask about an applicant's ability to perform both essential and marginal job functions. However, employers may not refuse to hire an applicant with a disability because the applicant's disability prevents him or her from performing marginal functions.

Permissible Inquiries

- Employers may describe or demonstrate the job function and ask if the applicant can perform that function with or without reasonable accommodation.
- Employers may ask whether the applicant has a driver's license, if driving is a job function, but may not ask whether the applicant has a visual disability.
- Employers may also ask an applicant (including one with a known disability) to describe or demonstrate how, with or without reasonable accommodation, the applicant will be able to perform job-related functions. Generally, this must be asked of all applicants.
- If an applicant has a known disability that may interfere with the performance of a jobrelated function, they can ask only that applicant.

Impermissible Inquiries

- Employers may not use an application form that lists potentially disabling impairments and ask the applicant to check any of those which he/she may have.
- Employers may not ask how often individuals will require leave for treatment or use leave as a result of incapacitation because of their disability.
- Employers may not ask about an applicant's prior workers' compensation history.
- Employers may not ask if an individual has any disabilities or impairments which may affect their performance on the job.
- Employers may not ask information about the types of medication an individual istaking.

B. Pre-employment Testing

The Department does not conduct pre-employment testing.

C. Employment Criteria and Job Description Review

Any employment criteria established by the Department to screen applicants should be reviewed before positions are filled to determine whether they would screen out applicants with disabilities. Employment criteria with a disparate impact on applicants with disabilities should be examined to determine whether they are job-related. If such criteria are not job-related, they should be eliminated. Job descriptions should be reviewed before interviews are held to identify essential job duties.

D. Identification of Disabled Employees for Layoff Report

For purposes of preparing a Departmental layoff report, disabled employees are identified through the Survey for Disabled Employees. Employees who identify impairments on this form are to be considered disabled, and those who do not indicate any impairment are not considered disabled. The survey form contains a notice to this effect. Employees have the right to complete new survey forms at any time during their employment, should their disability status change.

The EEO Officer will monitor the On-line Disability Survey website for employees who have indicated their need of assistance during a workplace emergency evacuation. Such information will also be forwarded, in a confidential manner, to safety personnel.

SECTION 6

APPLICABLE EEO LAWS

The federal and state civil rights law, rules, regulations, executive orders that impact the Department of Commerce and Economic Opportunity are identified below. Where there is a discrepancy between federal, state, or local law

- federal law supersedes the latter two, unless state or local law is more stringent.

FEDERAL LAW:

The **Civil Rights Act of 1964**, as amended: This Act is the most comprehensive statute on Civil Rights ever enacted in the U.S. It bans discrimination in voting rights, public accommodations, public education, and federally assisted programs. Additionally, it is unlawful under the Act to retaliate against a person who has openly opposed an employer's discriminatory practices or who has filed a charge or assisted in an investigation of a charge.

The **Equal Employment Opportunity Act of 1972** is an amendment to the Civil Rights Act of 1964 to extend the Equal Employment Opportunity Commission's jurisdiction to include public employers with 25 or more employees as well as private employers with 15 or more employees. This amendment adds sex and religion to the Title VII portion and extends Equal Employment Opportunity to state, local and municipal organizations, all employment agencies (private and public) and to labor organizations.

The **Pregnancy Discrimination Act of 1978** Amends Title VII of the Civil Rights Act to prohibit sex discrimination based on pregnancy. It required that women who were temporarily disabled due to pregnancy, childbirth and related medical conditions be provided the same benefits as those provided other disabled workers.

The **Civil Rights Act of 1991** expanded the protections afforded individuals under the Civil Rights Act of 1964. It protects against and deters unlawful discrimination and harassment in employment.

Title I of the Civil Rights Act of 1968 provides for criminal penalties for interference with an individual's employment rights due to his/her race, color, religion, or national origin.

Title IX of the Education Amendments of 1972, as amended, prohibits discrimination on the basis of sex in all education programs or activities receiving federal financial assistance.

The **Age Discrimination in Employment Act of 1967**, as amended, prohibits arbitrary discrimination against persons 40 years of age or older.

The **Age Discrimination Act of 1975** prohibits unreasonable discrimination on the basis of age in programs or activities receiving Federal financial assistance, including programs or activities receiving funds under the State and Local Fiscal Assistance Act of 1972.

The **Rehabilitation Act of 1973** prohibits discrimination against people with physical and mental disabilities except where the disability would prevent them from performing the major duties of the job. It also provides for affirmative action in the employment and advancement of qualified disabled people. Section 503 requires federal contractors and their subcontractors to undertake affirmative action in the employment of qualified disabled individuals. Section 504 requires recipients of federal financial assistance to provide equal employment opportunity and equal service access to qualified disabled individuals. Executive Order 12250 requires each federal agency granting funds to issue Section 504 regulations and authorizes the Justice Department to coordinate Section 504 implementation. Section 504 is enforced by the agency providing the federal funds in question.

The Rehabilitation Act requires employers to "make reasonable accommodations to the physical and mental limitations" of employees and applicants who may be disabled. This obligation includes both alterations in physical facilities and modifications in the structure or scheduling of a job.

Title I of the **Americans with Disabilities Act of 1990**, as amended by the Americans with Disabilities Amendments Act of 2008, prohibits discrimination in employment against individuals with disabilities and establishes the standards governing an employer's affirmative duty to accommodate an individual with a disability. **Title II** of the ADA prohibits discrimination against individuals with disabilities by state and local governments. The ADA Amendments Act of 2008 broadens the coverage of "disability" and thereby brings more individuals under the protection of the law. EEOC issued new regulations under this Act.

The **Vietnam Era Veterans Readjustment Act of 1974** requires employers to provide equal opportunity to Vietnam veterans and to disabled veterans of any war and to take affirmative action to ensure such opportunities.

The **Equal Pay Act of 1963**, as amended, provides that an employer may not discriminate on the basis of sex by paying employees different wages for doing equal work on jobs requiring equal skills, effort, and responsibility, and which are performed under similar working conditions in the same establishment. The Act also prohibits reducing any employee's wage in order to come into compliance with the Act.

In general, any employee who is covered by the minimum wage provisions of the Fair Labor Standards Act (FLSA) is protected by this Act. In addition, the Act was amended in 1972 to include some employees not covered by the FLSA, such as executives, administrators, professionals, etc. Violation of this law, if determined to be intentional, can result in a back pay. The award covering a period which begins three years prior to the date of filing and ends when the award is made.

Under the law, employers may have differences in wage rates based on: (1) a seniority system; (2) a merit system; (3) a system which measures earnings by quantity or quality of production, e.g., piece rate; (4) any other bona fide differential.

The Intergovernmental Personnel Act of 1970 ensures the fair treatment of applicants and employees in all aspects of personnel administration without regard to political affiliation, race, color, national origin, sex, or religious creed and with proper regard for their privacy and constitutional rights as citizens. The United States Civil Service Commission (USCSC) administers the Act. USCSC may recommend remedial action, including the termination of grants to states and local governments after they have been given reasonable notice and an opportunity for a hearing, if the program fails to comply with the provisions of the Act. However, actual enforcement authority rests with the grantor agency.

The **Family and Medical Leave Act** (FMLA) of requires employers to provide up to 12 weeks of unpaid job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours during the year preceding the start of the leave and be employed at a worksite where the employer employs at least 50 employees within a 75-mile radius.
