Illinois Grocery Initiative - New Stores Grant Application Supplemental Pharmacy Program Project Narrative

1. Do you plan to operate a pharmacy out of this location?

Yes

No

2. Provide a summary of the pharmacy component of this project.

3. Outline how the project will meet all required pharmacy regulations and licenses. The response should include a clear plan for staying compliant with federal, state, and local rules, as well as maintaining all necessary licenses, accreditations, and quality-assurance standards throughout the project.

4. Provide an assessment of local needs, identification of investment requirements, staffing requirements, supply chain requirements, and other factors impacting the pharmacy portion of the store.

5. Describe the project team's experience successfully launching and/or managing pharmacies.

6. Provide a detailed description of the scope of work specific to the pharmacy portion and how it aligns with the budget provided in the budget template.
