B. Funding Information

This grant program is utilizing state funds appropriated by the General Assembly under Public Act 103-0589 (<https://www.ilga.gov/legislation/publicacts/103/PDF/103-0589.pdf>). Total amount of funding expected to be awarded through this NOFO is \$40,000. The Department expects to make 1 award through this NOFO.

Anticipated start date for awards is 12/01/24. The period of performance is expected to be 07/01/24 through 06/30/25.

Allowable costs incurred from start of 7/1/24 through 06/30/25, during capitol complex construction, are allowed to be charge to the Grant.

The release of this NOFO does not obligate the Department to make an award.

C. Eligibility Information

An entity must be registered in the Grant Accountability and Transparency Act (GATA) Grantee Portal, <https://grants.illinois.gov/portal/>, at the time of grant application. The portal will verify that the entity:

NOFO ID: 3458-2922

- Has a valid FEIN number (<https://www.irs.gov/individuals/international-taxpayers/taxpayer-identification-numbers-tin#:~:text=You%20can%20use%20the%20IRS%27s,for%20Individual%20Taxpayer%20Identification%20Number>);
- Has a current SAM.gov registration (<https://sam.gov>), SAM.gov registrations must be marked as “public” to allow the GATA Grantee Portal to expedite the review of the federal information;
- Has a valid UEI number (<https://sam.gov>);
- Is not on the Federal Excluded Parties List (verified at <https://sam.gov>);
- Is in Good Standing with the Illinois Secretary of State, as applicable (https://www.cyberdriveillinois.com/departments/business_services/corp.html);
- Is not on the Illinois Stop Payment list (verified once entity is registered in GATA Grantee Portal); and
- Is not on the Department of Healthcare and Family Services Provider Sanctions list (<https://www.illinois.gov/hfs/oig/Pages/SanctionsList.aspx>).

Entities on the Illinois Stop Payment List and/or the Federal Excluded Parties List at time of application submission will not be considered for an award.

An automated email notification to the entity alerts them of “qualified” status or informs how to remediate a negative verification (e.g., not in good standing with the Secretary of State). A federal Debarred and Suspended status cannot be remediated.

Pursuant to the policy of the Illinois Office of the Comptroller, to receive grant funds from the State of Illinois, a grantee must be considered a regarded entity by the IRS for federal income tax purposes. Disregarded entities will not be eligible to receive grant funds.

2. Cost Sharing or Matching.

Cost sharing and matching is not required for this grant.

3. Indirect Cost Rate.

In order to charge indirect costs to a grant, the applicant organization must have an annually negotiated indirect cost rate agreement (NICRA). There are three types of NICRAs:

- a) Federally Negotiated Rate. Organizations that receive direct federal funding, may have an indirect cost rate that was negotiated with the Federal Cognizant Agency. Illinois will accept the federally negotiated rate. The organization must provide a copy of the federally NICRA.
- b) State Negotiated Rate. The organization may negotiate an indirect cost rate with the State of Illinois if they do not have a Federally Negotiated Rate. If an organization has not previously established in indirect cost rate, an indirect cost rate proposal must be submitted through State of Illinois' centralized indirect cost rate system no later than three months after receipt of a Notice of State Award (NOSA). If an organization previously established an indirect cost rate, the organization must annually submit a new indirect cost proposal through CARS within six to nine months after the close of the grantee's fiscal year, depending on the grantee's audit type requirements.
- c) De Minimis Rate. An organization may elect a de minimis rate of 15% of modified total direct cost (MTDC). Once established, the De Minimis Rate may be used indefinitely. The State of Illinois must verify the calculation of the MTDC annually in order to accept the De Minimis Rate.

All grantees must complete an indirect cost rate negotiation or elect the De Minimis Rate to claim indirect costs. Indirect costs claimed without a negotiated rate or a De Minimis Rate election on record in the State of Illinois' centralized indirect cost rate system may be subject to disallowance.

Grantees have discretion and can elect to waive payment for indirect costs. Grantees that elect to waive payments for indirect costs cannot be reimbursed for indirect costs. The organization must record an election to "Waive Indirect Costs" into the State of Illinois' centralized indirect cost rate system.

The following State University Facilities & Administration Rate and Base will apply to all State issued awards that contain either Federal pass-through funding or State funding.

RATE:

- 20% Rate for awards or programs administered On-Campus*
- 10% Rate for awards or programs administered Off-Campus*

BASE:

Base approved in the State Universities' current Federally Negotiated Indirect Cost Rate Agreement (NICRA)

*Criteria for utilization of the On/Off campus rate is located within the general terms and conditions of Federal NICRA for each State University. If not clearly defined, State awarding agencies and officers will make final determination based upon the purposes of the grant scope.
