(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control.** Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. **Federal Form LLL.** If any federal funds, other than federally-appropriated funds, were paid or will

be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. 8.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance

with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. (b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. **Effect of Failure to Comply.** Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

For certain construction-related Awards, such reports may be exempted as identified in **PART TWO** or **PART THREE**. 2 CFR 200.329.

11.2. Performance Close-out Report. Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Pursuant to 2 CFR 200.329(b) and (c), all performance reports must relate the financial data and project or program accomplishments to the performance goals and objectives of this Award and also include the following: a comparison of actual accomplishments to the objectives of the Award established for the reporting period (for example, comparing costs to units of accomplishment); computation of the cost and demonstration of cost effective practices (e.g., through unit cost data); performance trend data and analysis if required; the reasons why established goals were not met, if appropriate; and additional information, analysis, and explanation of any cost overruns or higher-than-expected unit costs. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

12.1. Audits. Grantee is subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules and policies set forth by the Governor's Office of Management and Budget. 30 ILCS 708/65(c); 44 Ill. (d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or

a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. (c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in Exhibit A, PART TWO or PART THREE.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate,

directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant any such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer’s guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

BACKGROUND:

Connect Illinois represents an integral and strategic component of both the comprehensive 2019 Rebuild Illinois infrastructure program and the State’s five-year economic plan to expand economic opportunity and reduce socio-economic gaps through equity investment.

Through multiple rounds of competitive matching grants, Connect Illinois aims to achieve ubiquitous, statewide broadband access for homes, businesses, and community anchor institutions. At the same time, Connect Illinois has sought progress in digital access and inclusion while leveraging investment in new broadband infrastructure to advance use and innovation in such areas as agriculture, economic development, education, and telehealth.

The Broadband Equity, Access, and Deployment (BEAD) Program, also known as Connect Illinois Round 4, is administered by the National Telecommunications and Information Administration (NTIA), through the Broadband, Equity, Access, and Deployment (BEAD) Program authorized by the Infrastructure Investment and Jobs Act of 2021, Division F, Title I, Section 60102, Public Law 117-58, 135 State. 429 (November 15, 2021) (Infrastructure Act or Act), also known as the Bipartisan Infrastructure Law, appropriated by the General Assembly. Illinois was awarded \$1.04 billion under BEAD to connect all eligible homes, businesses, and community anchor institutions to high-speed internet. Connect Illinois Round 4 uses this BEAD funding to support the deployment of broadband service to unserved and underserved Broadband Serviceable Locations (BSLs) and eligible Community Anchor Institutions (CAIs).

The Grantee must perform its obligations under this Agreement in a manner that complies, and enables the Office to comply, with all requirements contained in 47 U.S.C. § 1702, the BEAD Notice of Funding Opportunity (NOFO), as modified by the BEAD Restructuring Policy Notice (RPN), the General Terms and

Conditions for the BEAD program, the Specific Award Conditions applicable to Illinois' BEAD award, and all Federal and State Laws. The Grantee shall deploy qualifying broadband service to BSLs and CAIs as described in Grantee's Application, and at the speed, latency, and performance standards articulated therein. Grantees shall perform a standard installation of qualifying broadband service, at a standard installation charge, within 10 business days of the date a BSL or CAI requests service. In addition, passings connected through this grant agreement will be:

- a. served under the conditions and subject to pricing stated in the grant application (as documented in Exhibit A);
- b. not denied last-mile network connectivity and/or service, including connection to all units in a multi-dwelling unit (MDU), if the project contains BSLs that are MDUs; and
- c. served within a reasonable time frame (within 10 business days of request, with no charges or delays attributable to extension of the service). 10 business days starts on the date a prospective customer formally requests service from the Grantee and this request is documented.

ELIGIBLE COSTS:

Eligible Costs: Grant recipients may only use federal award funds, and any non-federal cost share committed to an award to pay for allowable costs under the BEAD program. Costs must be reasonable, necessary, allocable, and allowable for the proposed project and conform to generally accepted accounting principles. Funds committed to an award may only be used to cover allowable costs incurred during the period of performance, in addition to eligible pre-award expenses and allowable closeout costs incurred during the grant closeout process. Such pre-award and closeout costs must be included in the Grantee's proposed project budget for the BEAD-Funded Connect Illinois Round 4 to be considered. The State will apply NTIA's guidance on the implementation of exceptions, adjustments, and clarifications to certain provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), codified at 2 CFR Part 200, and the application of related provisions of the Uniform Guidance to the BEAD program.

Eligible uses of funding in connection with last-mile broadband deployment projects include the following:

- Construction, improvement, and/or acquisition of the facilities and telecommunications equipment required to provide qualifying broadband service, including infrastructure for backhaul, middle- and last-mile networks, and multi-tenant buildings.
- Long-term leases (for terms greater than one year) of facilities required to provide qualifying broadband service, including indefeasible right-of-use (IRU) agreements.
- Deployment of internet and Wi-Fi infrastructure within an eligible multi-family residential building.
- Engineering design, permitting, and work related to environmental, historical, and cultural reviews.
- Personnel costs, including salaries and fringe benefits for staff and consultants who provide services directly connected to the implementation of the BEAD program (such as project managers, program directors, and subject-matter experts).
- Network software upgrades, including but not limited to cybersecurity solutions.
- Training for cybersecurity professionals who will work on BEAD-funded networks.
- Workforce development – including Registered Apprenticeships and pre-apprenticeships – and community college and/or vocational training for broadband-related occupations to support deployment, maintenance, and upgrades.
- Reasonable financing costs that meet the definitions of 2 C.F.R. 200.

Pre-award and Closeout Costs:

- *Pre-award Costs:* In line with 2 C.F.R. 200.458, pre-award costs shall be allowable only to the extent that they would have been allowable if incurred after the date of the BEAD award and only with the written approval of the NTIA. If charged to the award, these costs must be charged to the initial budget period of the award, unless otherwise specified by the NTIA or the State. The State will consider eligible costs for last-mile broadband deployment projects outlined above as allowable.
- *Closeout Costs:* The State will allow reasonable closeout costs in line with the below guidance from the Department of Commerce's Standard Terms and Conditions as of November 12, 2020:

Reasonable, necessary, allowable and allocable administrative award closeout costs are authorized for a period of up to 120 calendar days following the end of the period of performance. For this purpose, award closeout costs are those strictly associated with close-out activities and are typically limited to the preparation of final progress, financial, and required project audit reports, unless otherwise approved in writing by the Grants Officer. A non-Federal entity may request an extension of the 120-day closeout period, as provided in 2 C.F.R. § 200.344 (Closeout).

INELIGIBLE COSTS:

Costs that are ineligible for the BEAD program may not be paid for with matching funds committed to an award. The following costs are specifically identified as prohibited under the BEAD program:

- **Use of grant funds for covered communications equipment or services under the Secure and Trusted Communications Networks Act.** A subgrantee (including their contractors and subcontractors) may not use grant funds received under the BEAD program to purchase or support any covered communications equipment or service, as defined in Section 9 of the Secure and Trusted Communications Networks Act of 2019 (47 U.S.C. § 1608).
- **Profit and fees.** A profit, fee, or other incremental charge above the actual cost incurred by a subgrantee is not an allowable cost under this Program.
- **Use of grant funds to support or oppose collective bargaining.** A subgrantee may not use grant funds – whether directly or indirectly – to support or oppose collective bargaining.

Additionally, indirect costs may not be included in this opportunity.

COMPLIANCE WITH THE INFRASTRUCTURE INVESTMENT AND JOBS ACT OF 2021:

The Grant Funds are awarded to Grantee through this Agreement pursuant to the Broadband, Equity, Access, and Deployment (BEAD) Program authorized by the Infrastructure Investment and Jobs Act of 2021, Division F, Title I, Section 60102, Public Law 117-58, 135 State. 429 (November 15, 2021) (Infrastructure Act or Act). Grantee is required to comply with, and is subject to, all requirements of these statutes and all other related rules and guidance issued by Grantor, including but not limited to the following:

a) Record Retention Requirements

The Grantee must retain all Federal award records for three years from the date of submission of their final financial report. For awards that are renewed quarterly or annually, the Grantee must retain records for three years from the date of submission of their quarterly or annual financial report, respectively. Records to be retained include but are not limited to, financial records, supporting documentation, and statistical records. Federal agencies or pass-through entities may not impose any other record retention requirements except for the following:

- The records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken if any litigation, claim, or audit is started before the expiration of the three-year period.

- When the Grantee is notified in writing by the Federal agency or pass-through entity, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs to extend the retention period.
 - The records for property and equipment acquired with the support of Federal funds must be retained for three years after final disposition.
 - The three-year retention requirement does not apply to the Grantee when records are transferred to or maintained by the Federal agency.
 - The records for program income earned after the period of performance must be retained for three years from the end of the Grantee's fiscal year in which the program income is earned. This only applies if the Federal agency or pass-through entity requires the Grantee to report on program income earned after the period of performance in the terms and conditions of the Federal award.
 - The records for indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates) must be retained according to the applicable option below:
 - ***If submitted for negotiation.*** When a proposal, plan, or other computation must be submitted to the Federal Government to form the basis for negotiation of an indirect cost rate (or other standard rates), then the three-year retention period for its supporting records starts from the date of submission.
 - ***If not submitted for negotiation.*** When a proposal, plan, or other computation is not required to be submitted to the Federal Government to form the basis for negotiation of an indirect cost rate (or other standard rates), then the three-year retention period for its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation
- b) **Property trust relationship and public notice:** Filings for grant-acquired property. Broadband infrastructure projects under fixed-amount subawards will be subject to the requirements below, summarized from the NTIA's Policy Guidance, "Tailoring the Application of the Uniform Guidance to the BEAD Program" (see original text for full details). Title to real property or equipment acquired or improved pursuant to a BEAD fixed-amount subaward (Project Property) vests in the Grantee upon acquisition, subject to the following during the Federal Interest Period, or 10 years after the year in which the subgrant has been closed out in accordance with 2 CFR 200.344:
- Grantees must follow their existing commercial practices for managing equipment in the normal course of business and must use inventory controls indicating the applicable Federal interest and loss prevention procedures. Grantees without such existing practices must comply with 2 CFR 200.313(d).

- Grantees must comply with the use and equipment disposition requirements of 2 CFR § 200.313(c)(4) and 313(e) as follows:
 - Grantees acquiring replacement equipment under 2 C.F.R. § 200.313(c)(4) may treat the replaced equipment as “trade-in” even if the Grantee retains full ownership and use over equipment. The Grantee must record the fair market value of the equipment being replaced in its Tangible Personal Property Status Reports to the Department of Commerce (DOC), and track the value of the replacement equipment, including both the Federal and non-Federal share.
 - Grantees may sell, lease, or transfer Project Property only after (a) securing the agreement of the successor or transferee to comply with these requirements and the acknowledgement of the successor or transferee of the Federal Interest in the subject Project Property, and (b) obtaining consent to the sale or transfer from the NTIA.
 - Grantees must notify the State and the NTIA upon filing a petition under the U.S. Bankruptcy Code, whether voluntary or involuntary, with respect to the Grantee or any affiliate that would impact the Grantee’s ability to perform in accordance with its subgrant.
 - Grantees must record liens or other appropriate notices of record, acceptable in form and substance to the Grants Officer, to indicate that Project Property has been acquired or improved with a federal award, and that use-and-disposition conditions apply to the property.
 - Grantees may encumber Project Property only after notifying the NTIA and the Grants Officer, and the U.S. Department of Commerce must receive either a first-priority security interest (preferred) or a shared first-priority security interest in the Project Property such that, if the Project Property were foreclosed upon and liquidated, the DOC would be entitled to receive, on a pari-passu basis with other first-position creditors, the portion of the current fair market value of the property equal to the DOC’s percentage of contribution to the project costs.
 - Pursuant to exceptions approved by the U.S. Office of Management and Budget (OMB), the property standards set forth in 2 CFR 200.314 -315 for supplies and intangible property, respectively, shall not apply to fixed-amount subawards.
 - Grantees must comply with 2 CFR 200.316, the insurance requirements of 2 CFR 200.310, and 2 CFR 200.312 to the extent any Federally owned real property or equipment is used by the Grantee.
- c) **Domestic preference for procurements (“Buy American”):** All funds made available through the BEAD Program for broadband infrastructure must comply with the Build America, Buy America Act. This act requires that all iron, steel, manufactured products (including but not limited to

fiber-optic communications facilities), and construction materials used in the project or other eligible activities be produced in the United States unless a waiver is granted. The U.S. Department of Commerce has issued a limited, general applicability, nonavailability waiver of the Buy America Preference requirements for certain construction materials and certain manufactured products as applied to recipients of Federal financial assistance under the BEAD Program, which will flow down to Grantees. Detailed information on BABA compliance and reporting requirements can be found in the NTIA's BABA Compliance guidance, as well as the BEAD NOFO.

- d) **Environmental and national historical preservation requirements:** The potential environmental impact of Grantees' BEAD-funded projects must be analyzed as required by, and to ensure compliance with, the National Environmental Policy Act (NEPA) (42 U.S.C. § 4321 et seq.) and the National Historic Preservation Act (NHPA) (54 U.S.C. § 300101 et seq.). In particular:
- Grantees are required to submit for all projects all required environmental documentation to the State prior to award, which also must describe their plan for compliance with applicable environmental and national historical preservation requirements, identifying feasible measures to reduce or avoid any adverse environmental impacts.
 - It is the Grantees' responsibility to obtain all necessary federal, state, and local governmental permits and approvals necessary for the proposed work to be conducted. Projects are expected to be designed to minimize any potential adverse impact on the environment.
 - The Grantee will not commence project implementation, and funds will not be disbursed until any necessary environmental reviews are complete and NTIA has approved any necessary decision documents, except for the limited permissible activities identified in Section 13.E of the BEAD General Terms & Conditions.
 - The Grantee must timely prepare any required NEPA documents and obtain any required permits and must adhere to any applicable statutory deadlines as described in 42 U.S.C. 4336a(g).
 - The Grantee must provide to the State a milestone schedule identifying specific deadlines and describing how the Grantee proposes to meet these timing requirements including, as required, the completion of consultations, the completion of NEPA and Section 106 reviews, and the submission of Environmental Assessments (EAs) or Environmental Impact Statements (EISs).
 - If additional information is required after an application is accepted by NTIA for funding, funds can be withheld by the NTIA under a specific award condition requiring the awardee to submit additional environmental compliance information sufficient for the agency to assess any impact that a project may have on the environment.

- e) **Environmental Review Requirements:** Capital grants will be reviewed to determine environmental review requirements. Based on the scope of the project, the Grantees may be required to complete additional environmental approvals before a grant agreement can be initiated.

DRAFT

EXHIBIT B**DELIVERABLES OR MILESTONES**

Within thirty (30) days of the execution of the Agreement, the Grantee will provide a detailed, updated timeline of projected deliverables, which must be approved by Grantor, using the template provided by the Illinois Office of Broadband. The timeline and any subsequent revisions shall be incorporated by reference into this Agreement. The timeline will be submitted in conjunction with the initial Periodic Performance Report (PPR). The timeline will be used to measure performance throughout the life of the Award and will be updated and reported on each PPR reporting due date. If the Grantee made a binding commitment during the application process to complete a project within a two-year timeframe, the Grantor will not accept changes that extend this timeline.

- Description of the types of facilities that have been constructed and installed.
- Description of the peak and off-peak actual speeds of offered broadband service.
- Description of maximum advertised speed of offered broadband service.
- Description of non-promotional prices – including any associated fees – charged for different tiers of all offered broadband service (including the low-cost affordability plan).
- A list of all requested interconnection agreements, and their current status.
- A report of the number and amount of contracts and subcontracts awarded, disaggregated by recipients of each (sub)contract that are MBEs/WBEs.
- The data required to comply with federal Broadband Data Collection (BDC) reporting requirements, or any successor regulation, for broadband infrastructure projects.

Grantee is required to adhere to future reporting requirements should NTIA update or modify reporting requirements.

Grantee must maintain sufficient records to substantiate all information above upon request. As specified in DCEO's Standard Terms and Conditions, Grantees must submit to the State their final performance report and financial report (Form SF-425) within 90 calendar days after the expiration of the Period of Performance, as well as real property, tangible personal property, and intangible property reports (as applicable).

Grantee will meet with the State no less than quarterly to review progress and address challenges. More frequent meetings may be required at the request of the Grantor.

FUNDING DISBURSEMENT:

Payment terms and use of fixed amount subawards

Funds will be disbursed through fixed-amount subawards based on the milestones defined in this Grant Agreement and in compliance with the NTIA's guidance on the implementation of exceptions, adjustments, and clarifications to certain provisions of the Uniform Administrative Requirements, Cost

Principles, and Audit Requirements for Federal Awards (Uniform Guidance), codified at 2 CFR Part 200, and the application of related provisions of the Uniform Guidance to the BEAD Program.

Disbursements will be aligned with the Grantee's approved project budget(s), available as an attachment to this agreement. Grantee match included in the budget must be spent proportionally to the awarded funds, in line with the project budget. As a part of quarterly reporting, Grantees must submit receipts and other evidence of expenditures which will ultimately be compared against disbursements. The Periodic Financial Report (PFR) is submitted to document costs incurred for the quarter. Grantee must also submit supporting documentation for costs incurred and costs spent. Grantee shall complete a financial ledger with all expenses detailed (vendor, invoice, date, payment method, etc.). The grantee must also submit a copy of all the invoices listed and proof of payments. The grant manager will audit these costs to ensure the ledger, invoice, and payment match.

If, at the end of the project, the project is under budget and excess funds were disbursed to the Grantee, then the Grantee shall return the funds to the state. Failure to do so will result in the State initiating a collection proceeding to reclaim the funds. The budgeted savings must be allocated to reducing both the grant and match in proportion to the original grant and match percentages. To avoid the necessity to return funds, the Grantee should strive to forecast an under-budget amount during the last year of the deployment period.

For projects for which the total costs exceed the amount listed in the Budget, the Grantee is still obligated to complete the full scope of the project. Payments will be attributed to project milestones in two categories: pre-deployment and deployment. Payment attributed to pre-deployment equals 35% of project total and deployment equals 65% of project total. Grantees must submit evidence that they have reached milestones to request reimbursement, subject to Office of Broadband review and approval. The Office of Broadband reserves the right to request additional documentation. Pre-deployment milestones do not need to follow the order below.

Upon the completion of a project, pursuant to 2 CFR 200.201(b)(3), the Grantees must certify in writing to the State at the end of the BEAD award that the broadband infrastructure project funded under the fixed-amount subaward was completed. Accordingly, a Grantee receiving a fixed-amount subaward must certify to the State that the broadband infrastructure project was placed into service – as defined in 47 USC 1702(h)(4)(C) for last-mile broadband deployment projects or in the grant agreement for all other broadband infrastructure projects – by the end of the State's period of performance.

The Office of Broadband conducts field validation throughout deployment and before closeout to ensure compliance and completion of milestones as communicated by Grantees. Field validation involves visiting the broadband deployment site and conducting on-site speed testing, visual checks (i.e., for vaults in the ground, cabinets, towers, etc.), and other verification methods. The field validation process is intended to provide assurance that the Grantee's project meets speed, latency, and other performance requirements in this agreement. It will also include verification of connection to all units in a MDU, if the project includes BSLs that are MDUs.

Once a Grantee has submitted its final expenses, the Office of Broadband leverages field validation auditors to schedule field validation. These site visits are to be completed in a timely manner, before the final closeout of each grant project within the eGrants system. In the case a field validation yields findings that a Grantee has not executed services to the terms and conditions of their grant agreement, the Office of Broadband will implement corrective action measures up to and including recoupment of funding.

The Grantor will not disburse the final payment until:

- 1) The IOB conducts field validation to verify that all work has been completed in line with the grant agreement;
- 2) The IOB Grants Team reviews receipts and confirms that expenses align to funding disbursed; and
- 3) The Grantee has satisfied all state-specific terms and conditions included in this grant agreement.

**Final four milestone payments subject to change based on Grantee compliance with state requirements throughout the grant cycle. In the event that requirements have not been met, Grantor may withhold final payment.*

Specific reimbursement requirements for the NTIA Letter of Credit requirement

Prior to entering into any Grantee agreement, Grantee must provide the State with an irrevocable standby letter of credit in the required form, acceptable in all respects to the State, in a value of no less than 25 percent of the subaward amount. Alternatively, Grantees may employ the BEAD Letter of Credit Waiver, which, among other things, allows Grantees to maintain a letter of credit or performance bond in the amount of 10 percent of the subaward instead if reimbursements occur no less frequently than every six months. For Grantees employing this waiver option, the grant agreement may allow for interim

milestone reimbursements when necessary to ensure reimbursements occur no less than every six months to ensure compliance with the relevant requirement.

EXHIBIT D

PERFORMANCE MEASURES AND STANDARDS

The period of performance is four years from the day the grant agreement is executed. Execution of grant agreements and the subsequent release of funds to awardees is subject to the NTIA's approval of Illinois's BEAD Final Proposal.

BEAD GRANTEE OBLIGATIONS:

Per NTIA and State requirements, BEAD-Funded Connect Illinois Round 4 awardees receiving BEAD funds must comply with BEAD Grantee Obligations as outlined in the relevant documents. Specifically, the State shall ensure the following, among others:

Network Capabilities: Speed and latency. Funded networks shall deliver Reliable Broadband Service with speeds of not less than 100 Mbps for downloads and 20 Mbps for uploads. In addition, 95 percent of latency measurements during testing windows must fall at or below 100 milliseconds round-trip time. Funded network connections to Eligible Community Anchor Institutions shall be capable of delivering service at speeds not less than 1 Gigabit per second for downloads and 1 Gigabit per second for uploads. The State shall ensure that such connections can be used to provide business data services. Grantee should deploy robust network infrastructure and schedule and perform regular performance testing to ensure that the network can consistently meet or exceed the performance standards. See BEAD NOFO, IV.C.2.a.i, for details.

Network Outages: Each funded network's outages should not exceed, on average, 48 hours over any 365-day period except in the case of natural disasters or other force majeure occurrence. Grantee should develop a comprehensive outage management plan that includes preventive maintenance schedules, quick response teams for outage resolution, and clear communication channels for informing customers about outages and expected restoration times. See BEAD NOFO, IV.C.2.a.ii, for details.

Deployment Requirements: Deployment Deadlines and Benchmarks. Grantees must deploy their funded networks and begin providing broadband service to each customer that desires broadband service not later than four years after the date on which the Grantee receives the subgrant for the applicable network. Grantees must meet interim buildout milestones established by the State to ensure progress. Grantees are required to adhere to specific deployment schedules, ensuring the network is operational within the stipulated time. Grantees should regularly report progress to the State in alignment with the monitoring requirements detailed by the State in the Grantee agreements. Extensions to the four-year deployment deadline may be granted by the Assistant Secretary as described in the BEAD NOFO. However, it is the general intent of NTIA not to waive any of the provisions set forth in the BEAD NOFO. See BEAD NOFO, IV.C.2.b.i, for details.

Conduit Access Points: Any funded network deployment project that involves laying fiber-optic cables or conduit underground or along a roadway must include interspersed conduit access points at regular and short intervals for interconnection by unaffiliated entities.

Service Obligations Affordability and Low-Cost Plans: The Infrastructure Act requires that each Grantee receiving BEAD funding to deploy network infrastructure offer at least one low-cost broadband service option as defined by the State (see Section C of this NOFO for details). The low-cost broadband service option must be made available to eligible subscribers for the useful life of the network asset (i.e., the

federal interest period, which is 10 years after the year in which the subgrant for a project has been closed out). See BEAD NOFO, IV.C.2.c.i, for details. Low-cost broadband service option must offer speeds of at least 100/20 Mbps and latency performance of no more than 100 milliseconds. The Grantee's low-cost service option is documented in Exhibit A of this grant agreement.

Per the NTIA's BEAD Restructuring Policy Notice, the State will apply the eligibility criteria used for the FCC's Lifeline Program to define Eligible Subscribers for the low-cost broadband service option. 47 CFR §54.409 defines eligibility for the Lifeline Program as the following:

(a) To constitute a qualifying low-income consumer:

1. A consumer's household income as defined in § 54.400(f) must be at or below 135% of the Federal Poverty Guidelines for a household of that size; or
2. The consumer, one or more of the consumer's dependents, or the consumer's household must receive benefits from one of the following federal assistance programs: Medicaid; Supplemental Nutrition Assistance Program; Supplemental Security Income; Federal Public Housing Assistance; or Veterans and Survivors Pension Benefit.
3. Consumers that are survivors can qualify to receive emergency communications support from the Lifeline program without regard to whether the survivor meets the otherwise applicable eligibility requirements of the Lifeline program in this part, if:
 - i. The survivor suffers from financial hardship as defined by § 54.400(s); and
 - ii. (ii) The survivor requested a line separation as required under 47 U.S.C. 345(c)(1) of the Communications Act of 1934.

(b) A consumer who lives on Tribal lands is eligible for Lifeline service as a "qualifying low-income consumer" as defined by § 54.400(a) and as an "eligible resident of Tribal lands" as defined by § 54.400(e) if that consumer meets the qualifications for Lifeline specified in paragraph (a) of this section or if the consumer, one or more of the consumer's dependents, or the consumer's household participates in one of the following Tribal-specific federal assistance programs: Bureau of Indian Affairs general assistance; Tribally administered Temporary Assistance for Needy Families; Head Start (only those households meeting its income qualifying standard); or the Food Distribution Program on Indian Reservations.

In addition to meeting the qualifications provided in paragraph (a) or (b) of this section, in order to constitute a qualifying low-income consumer, a consumer must not already be receiving a Lifeline service, and there must not be anyone else in the subscriber's household subscribed to a Lifeline service.

Any low-cost broadband service option advertisements must be accessible by targeted jurisdictions.

Access to Service: Operators of funded networks shall provide access to broadband service to each customer served by the project that desires broadband service on terms and conditions that are reasonable and non-discriminatory. Grantee must initiate service at standard installation charges within 10 business days of a request from any consumer in the BEAD-funded network's service. Grantees should establish reasonable, feasible timelines and procedures for customer installations, ensuring that these processes are not overly complicated, unnecessarily delayed, or discriminatory. Grantees must provide

equitable access to all individuals regardless of economic or demographic factors. See BEAD NOFO, IV.C.2.c.iii, for details.

Cybersecurity and Supply Chain Risk Management: Grantees must ensure the reliability and resilience of the broadband infrastructure and network through establishing cybersecurity and supply chain risk management plans that reflect the National Institute of Standards and Technology (NIST) cybersecurity and supply chain risk management framework. The Infrastructure Act directs the Assistant Secretary to specify prudent cybersecurity and supply-chain risk management practices for Grantees deploying or upgrading broadband networks using BEAD funds. Toward this goal, prior to receiving any fund allocations, all prospective Grantees will be required to attest that they will comply with cybersecurity and supply chain risk management practices as defined by NTIA for the purposes of the BEAD Program, including providing a plan. To the extent a Grantee relies in whole or in part on network facilities owned or operated by a third party (e.g., purchases wholesale carriage on such facilities), the same attestations from its network provider with respect to both cybersecurity and supply chain risk management practices. Prospective Grantees should implement robust cybersecurity measures and manage supply chain risks to protect the integrity, reliability, and security of the broadband infrastructure. This includes adhering to national cybersecurity standards and ensuring that all hardware and software components are secure and sourced from reputable suppliers. See BEAD NOFO, IV.C.2.c.vi, for details. The Grantor retains the right to receive new versions of the cybersecurity and supply chain risk management plans within 30 days of the Grantee making updates. The Grantor retains the right to require the plans to be reevaluated on a periodic basis and updated as events warrant.

Pre-award Notification Requirements: The Department of Commerce will apply the Pre-Award Notification Requirements for Grants and Cooperative Agreements dated December 30, 2014 (79 FR 78390).

Non-Compliance: The Grantor reserves the right to deny any voucher request(s) at its discretion, based on lack of progress toward meeting completion goals. If the Grantee fails to meet any of the performance measures/goals, and if deemed appropriate at the discretion of the Grantor, the Grant Funds may be decreased by an amount proportionate to the size of the shortfall, and/or the Grantee may be responsible for the return of the Grant Funds in the amount specified by the Grantor. Grantor may initiate a grant modification(s) to de-obligate Grant Funds based on non-performance. The Grantee will submit grant modification requests as necessary in a timely manner, including a request to de-obligate Grant Funds in an amount that the Grantee determines will be unspent by the end of the Grant Agreement Term.

Public Notice: Grantee must conduct public awareness campaigns, both online and through other means, to increase broadband adoption by highlighting the value and benefits of broadband internet access.

JULIE Certification: Grantee must ensure all contractors involved in excavating and locating complete the following no-cost trainings available at <https://www.julieessentials.com/training> and provide documentation of completion to the Grantor:

- New JULIE Law Changes
- Positive Response System for Excavators
- JULIE Essentials for Excavators
- JULIE Essentials for Locators

Grantor may remove (or reduce) a Specific Condition included in this Exhibit by providing written notice to the Grantee, in accordance with established procedures for removing a Specific Condition.

Note from the Illinois Office of Broadband:

The following section is auto populated based on results of the Internal Control Questionnaire.

INTERNAL CONTROL QUESTIONNAIRE (ICQ):

The ICQ Sections required for completion per the Programmatic Risk Assessment are determined based on the Grantee's level of risk.

ICQ Section:	02 - Quality of Management System (2 CFR 200.302)
Conditions:	Requires more detailed reporting
Timeframe:	One Year

PROGRAMMATIC RISK ASSESSMENT (PRA):

**Note from the Illinois Office of Broadband:
Part II applies to all State grants. The IOB does not have the power to amend this.**

ARTICLE XXIII AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV ADDITIONAL MONITORING PROVISIONS

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to \$500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above \$500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(12), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

ARTICLE XXVII ADDITIONAL BUDGET PROVISIONS

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

ARTICLE XXVIII ADDITIONAL REPRESENTATIONS AND WARRANTIES

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

- (a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;
- (b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;
- (c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;
- (d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:
 - (i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;
 - (ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;
 - (iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and
 - (iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity associated

with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX

ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.* (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in

PART THREE or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (**Exhibits A, B and D**).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (**Exhibits A, B and D**) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an

extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

**ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;
- (c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or
- (d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this

Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 et seq.). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.7. Identity Protection Act (5 ILCS 179/1 et seq.) and Personal Information Protection Act (815 ILCS 530/1 et seq.). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying

information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) **Personal Information Defined.** As used herein, "Personal Information" shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 ("PIPA").

If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) **Security Assurances.** Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) **Breach Response.** In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) **Injunctive Relief.** Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) **Compelled Access or Disclosure.** The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

ARTICLE XXXIV ADDITIONAL MISCELLANEOUS PROVISIONS

34.1. **Workers' Compensation Insurance, Social Security, Retirement and Health Insurance Benefits, and Taxes.** The Grantee must provide Workers' Compensation insurance where the same is required and accepts full responsibility for the payment of unemployment insurance, premiums for Workers' Compensation, Social Security and retirement and health insurance benefits, as well as all income tax deduction and any other taxes or payroll deductions required by law for its employees who are performing services specified by this Agreement.

If Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor will disburse Grant Funds only if the Grantee enters into an installment payment agreement with the applicable tax authority and remains in good standing with that authority. Grantee is required to tender a copy of all relevant installment payment agreements to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. **The execution of this Agreement by the Grantee is its certification that: (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.**

36.4. Changes to Reporting Schedule. Changes to the schedules for periodic reporting, the external audit reports and the annual financial reports do not require a formal modification to this Agreement pursuant to Paragraph 22.4 and ARTICLE XXX, and may be changed unilaterally by the Grantor if necessitated by a change in the project schedule or at the discretion of the Grantor. The Grantee may not modify the reporting deliverable schedules in ARTICLES X, XI, XII and XXXVI unilaterally, and must obtain prior written approval from Grantor or the Grant Accountability and Transparency Unit of the Governor's Office of Management and Budget, if applicable, to change any reporting deadlines.

ARTICLE XXXVII GRANT-SPECIFIC TERMS/CONDITIONS

37.1 Compliance with the Prevailing Wage Act (820 ILCS 130/0.01 et seq.). Grantees shall comply with all requirements of the Prevailing Wage Act, including but not limited to, inserting into all contracts for construction a stipulation to the effect that not less than the prevailing rate of wages as applicable to the project shall be paid to all laborers, workers, and mechanics performing work under the award and requiring all bonds of contractors to include a provision as will guarantee the faithful performance of such prevailing wage clause as provided by contract. Grantees will be required to report on Prevailing Wage Act compliance on a monthly basis.

37.2 Compliance with the Illinois Works Jobs Program Act (30 ILCS 559/20-1 et seq.): For grants with an estimated total project cost of \$500,000 or more, the Grantee will be required to comply with the Illinois Works Apprenticeship Initiative (30 ILCS 559/20-20 to 20-25) and all applicable administrative rules. The "estimated total project cost" is a good faith approximation of the costs of an entire project being paid for in whole or in part by appropriated capital funds to construct a public work. The goal of the Illinois Apprenticeship Initiative is that apprentices will perform either 10% of the total labor hours actually worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever is less. Grantees will be permitted to seek from the State a waiver or reduction of this goal in certain circumstances pursuant to 30 ILCS 559/20-20(b). The Grantee must ensure compliance for the life of the entire project, including during the term of the grant and after the term ends, if applicable, and will be required to report on and certify its compliance.

37.3 Business Enterprise Program for Minorities, Females, and Persons with Disabilities Act Compliance. Grantee

acknowledges that it is required to comply with the Business Enterprise Program for Minorities, Females, and Persons with Disabilities Act ("BEP") (30 ILCS 575/0.01 et seq.), which establishes a goal for contracting with businesses that have been certified as owned and controlled by persons who are minority, female or who have disabilities. Grantee shall maintain compliance with the BEP Utilization Plan submitted in conjunction with the Agreement and shall comply with all reporting requirements.

- 37.4 Compliance with the Employment of Illinois Workers on Public Works Act. All Grantees will be required to comply with the Employment of Illinois Workers on Public Works Act (30 ILCS 570/0.01 et seq.) (the "Act"), which provides that whenever there is a period of excessive unemployment in Illinois (as defined by the Act), if the Grantee is using Grant Funds for (1) constructing or building any public works, or (2) performing the clean-up and on-site disposal of hazardous waste for the State of Illinois or any political subdivision of the State, then the Grantee shall employ at least 90% Illinois laborers on such project. Illinois laborers refers to any person who has resided in Illinois for at least 30 days and intends to become or remain an Illinois resident. Grantees may receive an exception from this requirement by submitting a request and supporting documents certifying that Illinois laborers are either not available or are incapable of performing the particular type of work involved. The certification must: (a) be submitted to the grant manager within the first quarter of the Award Term; (b) provide sufficient support that demonstrates the exception is met; (c) be signed by an authorized signatory of the Grantee; and (d) be approved by DCEO in consultation with the Illinois Department of Labor. In addition, every contractor on a public works project or improvement or hazardous waste clean-up and on-site disposal project in this State may place on such work no more than 3 (or 6 in the case of a hazardous waste clean-up and on-site disposal project) of the contractor's regularly employed non-resident executive and technical experts. Additional administrative and national policy requirements per BEAD Program requirements. Per the BEAD NOFO, all grants receiving BEAD funding are required to comply with applicable statutes and regulations, including but not limited to the following General Compliance Requirements and Prioritization.
