

Connect Illinois BEAD-Backed Round 4 Pre-Qualification Participants

The organizations below submitted [pre-qualification](#) materials ahead of the Broadband Equity Access and Deployment (BEAD) sub-grantee selection process. The pre-qualification process was open between June 17-July 23, 2024.

Please note: Participation in pre-qualification was strongly encouraged, but optional. If an organization did not participate in pre-qualification, this does not preclude them from participating in the BEAD program this fall. The Office of Broadband encourages all interested entities to consider participating and complete [the intake form](#) to receive up-to-date information about the sub-grantee selection process.
