

24 CFR 58.22: Limitations on activities pending clearance

- (a) Neither a recipient nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in §58.1(b) on an activity or project until HUD or the state has approved the recipient's RROF and the related certification from the responsible entity.
- In addition, until the RROF and the related certification have been approved, neither a recipient nor any participant in the development process may commit non-HUD funds on or undertake an activity or project under a program listed in §58.1(b) if the activity or project would have an adverse environmental impact or limit the choice of reasonable alternatives.
- (b) If a project or activity is exempt under §58.34, or is categorically excluded (except in extraordinary circumstances) under §58.35(b), no RROF is required and the recipient may undertake the activity immediately after the responsible entity has documented its determination as required in §58.34(b) and §58.35(d), but the recipient must comply with applicable requirements under §58.6.
