The IL SBDCs are centers located across the state which offer assistance with business, management, and marketing plans; financial assessment and guidance; in-depth business training and more. The IL SBDCs also provides specialized services in technology, innovation, and entrepreneurial development. Business consultation is available to businesses of all stages/sizes/industries/etc. as well as for future business owners & entrepreneurs and those who have an idea. Click [here](#) to find the nearest IL SBDC by address or zip code. For upcoming IL SBDC events & webinars, click [here](#).

- The [Illinois APEX Accelerator](#) (formerly known as the Illinois Procurement Technical Assistance Centers “PTAC”) are a portal for small businesses looking to enter the world of government contracting. The centers provide one-on-one counseling, technical information, marketing assistance and training to existing businesses interested in selling their goods and services to local, state, and/or federal government agencies. The primary mission of the Illinois APEX Accelerator is to serve as the axis for existing and new business to enter and strengthen the Government Industrial Base (GIB) and Defense Industrial Base (DIB), by accelerating innovation, fostering ingenuity, and establishing resilient and diverse supply chains. Click [here](#) to find the nearest IL APEX Accelerator by address or zip code. For upcoming IL APEX Accelerator events & webinars, click [here](#).
- [The First Stop Business Information Center](#) is a single statewide resource for entrepreneurs and businesses to obtain comprehensive regulatory and permitting information. Business specialists provide professional guidance to entrepreneurs by helping them identify and navigate regulatory requirements for their business and link them to state and local resources.
- [The Illinois International Trade Centers](#) provide assistance with international trade and exporting. The centers offer information, counseling and training to existing and new-to-export companies interested in pursuing international trade opportunities.
- The [Small Business Environmental Assistance Program \(SBEAP\)](#) provides free confidential information and services to help small businesses understand and comply with their environmental obligations.

Team OTI from the [Illinois Office of Trade & Investment \(OTI\)](#) at the Illinois Department of Commerce & Economic Opportunity (DCEO)

The Illinois Office of Trade & Investment (OTI) at DCEO , provides export assistance to companies interested in growing their global footprint. Through a network of trade specialist located in Chicago and in established regional foreign offices, OTI provides businesses with lead generation support and connects companies to foreign governments, chambers of commerce and other strategic partners around the world. Our expert team also leads trade missions, curated overseas tradeshow, and outreach events and seminars.
