Team OMEE from the [Office of Minority Economic Empowerment \(OMEE\)](#) at the Illinois Department of Commerce & Economic Opportunity (DCEO)

The Office of Minority Economic Empowerment (OMEE) is committed to providing minority-, women-, persons with disabilities and veteran-owned small businesses and entrepreneurs across the state with equitable access to opportunities and resources. Through dynamic partnerships, targeted outreach, and tailored programs and initiatives, OMEE aims to create an inclusive business ecosystem for communities that have traditionally faced systemic barriers to entry and growth. This investment spurs local economic development in underserved areas resulting in a revitalized and thriving Illinois economy.

- [Click here](#) to connect with Team OMEE.
- To view upcoming events hosted by Team OMEE, [click here](#).

Team RED from the [Regional Economic Development \(RED\)](#) at the Illinois Department of Commerce & Economic Opportunity (DCEO)

The Office of Regional Economic Development (Team RED) at the Illinois Department of Commerce & Economic Opportunity (DCEO), lives and works in the communities they serve and are charged with facilitating economic development efforts in their regions, in addition to providing communities with front-line access to state programs and services. Team RED serves as an Economic Development Concierge for the State of Illinois. To help provide localized assistance, the State of Illinois is divided into 10 economic development regions.

- As Team RED is located throughout Illinois, [click here](#) to connect with Team RED.
- To view upcoming events hosted by Team RED, [click here](#).

Team EIT from the Office of Entrepreneurship, Innovation & Technology (EIT)

The [Office of Entrepreneurship, Innovation & Technology \(EIT\)](#) supports entrepreneurs, innovators, and small businesses in Illinois by providing concierge services, information, and technical support. Programs and services provided through EIT include:

- [The Illinois Small Business Development Centers \(SBDC\)](#) offers at no cost one-on-one business advising. The IL SBDCs are centers located across the state which offer assistance with business, management, and marketing plans; financial assessment and guidance; in-depth business training and more. The IL SBDCs also provides specialized services in technology, innovation, and entrepreneurial development. Business consultation is available to businesses of all stages/sizes/industries/etc. as well as for future business owners & entrepreneurs and those who have an idea. [Click here](#) to find the nearest IL SBDC by address or zip code. For upcoming IL SBDC events & webinars, [click here](#).
- The [Illinois APEX Accelerator](#) (formerly known as the Illinois Procurement Technical Assistance Centers "PTAC") are a portal for small businesses looking to enter the world of government contracting. The centers provide one-on-one counseling, technical information, marketing assistance and training to existing businesses interested in selling their goods and services to local, state, and/or federal government agencies. The primary mission of the Illinois APEX Accelerator is to serve as the axis for existing and new business to enter and strengthen the Government Industrial Base (GIB) and Defense Industrial Base (DIB), by accelerating innovation, fostering ingenuity, and establishing resilient and diverse supply chains. [Click here](#) to find the nearest IL APEX Accelerator by address or zip code. For upcoming IL APEX Accelerator events & webinars, [click here](#).
- [The First Stop Business Information Center](#) is a single statewide resource for entrepreneurs and businesses to obtain comprehensive regulatory and permitting information. Business specialists provide professional guidance to entrepreneurs by helping them identify and navigate regulatory requirements for their business and link them to state and local resources.
- [The Illinois International Trade Centers](#) provide assistance with international trade and exporting. The centers offer information, counseling and training to existing and new-to-export companies interested in pursuing international trade opportunities.
- The [Small Business Environmental Assistance Program \(SBEAP\)](#) provides free confidential information and services to help small businesses understand and comply with their environmental obligations.

Team OTI from the Office of Trade & Investment (OTI) at the Illinois Department of Commerce & Economic Opportunity (DCEO)

The Office of Trade & Investment (OTI) at DCEO provides export assistance to companies interested in growing their global footprint. Through a network of trade specialist located in Chicago and in established regional foreign offices, OTI provides businesses with lead generation support and connects companies to foreign governments, chambers of commerce and other strategic partners around the world. Our expert team also leads trade missions, curated overseas tradeshow, and outreach events and seminars.

- As Team OTI is located both in Illinois and abroad, [click here](#) to connect with a team member from the Office of Trade and Investment (OTI).
- To attend upcoming OTI events, [click here](#).

Community Navigators

Community Navigators support small businesses in Illinois who are identified as underserved including minority, rural, veteran, and women-owned businesses.

- [Click here](#) to find a Community Navigator near you.
