Business Smart WEEK 2024

THEME

**BREAKING DOWN BARRIERS TO
BUSINESS EQUITY**

Business Smart Week 2024!

Join us July 30th and August 1st for the 11th Annual Federal Reserve Bank of Chicago's signature Supplier Diversity initiative Business Smart Week 2024. Business Smart Week features top business diversity leaders and experts that will provide diverse and small businesses with the tools to better manage and grow their business.

This year's theme: Breaking Down Barriers to Business Equity
This year's program will feature discussions with prominent minority business owners, corporate and non-profit CEOs on offering solutions to eliminating the barriers to diverse business growth.

On July 30th we will have topics that include Demystifying Generative AI for Small Businesses, The State of Cybersecurity 2024, The Future of Payments, Breaking Down Barriers to Business Growth and Access to Capital.

Also, we will have a Financial Services Business Connection Matchmaker that will allow diverse businesses the opportunity to meet with corporations and large suppliers that are seeking diverse supplier for their contracting and sub-contracting opportunities.

On August 1st we will host The Federal Reserve Bank of Chicago Construction Summit which is a key regional gathering that will provide diverse and small businesses in the Construction industry the tools to manage and grow their business.
