

To: Prepared Feeds Manufacturing Facilities
From: Illinois Small Business Environmental Assistance Program
Department of Commerce and Economic Opportunity
Subject: New Federal Regulations: Initial Notification Forms Due May 5, 2010

The United States Environmental Protection Agency (USEPA) recently finalized rules for existing and new prepared feeds manufacturing facilities.

You are receiving this mailing because we believe you are potentially impacted by this new regulation. Please carefully review the criteria for impacted facilities to determine if you are covered by this new rule.

If your facility does qualify under the criteria listed in the enclosed form you must submit the attached Initial Notification Report to the USEPA and the Illinois Environmental Protection Agency by May 5, 2010 .

USEPA Region 5

Air Enforcement & Compliance Assurance
Branch AE-17J

77 West Jackson Blvd

Chicago, IL 60604

Illinois Environmental Protection Agency

Bureau of Air, Compliance Section MC 40

1021 N. Grand Ave East, P.O. Box 19276

Springfield, IL 62794

On January 5, 2010 the USEPA adopted new requirements for prepared feeds manufacturing facilities. This new rule includes management practices to minimize or eliminate possible emissions and recordkeeping and reporting requirements.

It is important that you review the entire rule, *40 CFR 63, Subpart DDDDDDD, National Emission Standards for Hazardous Air Pollutants: Area Source Standards for Prepared Feeds Manufacturing* <http://www.epa.gov/ttn/atw/area/fr05ja10.pdf> A factsheet regarding this rule may also be found at: <http://www.epa.gov/ttn/oarpg/t3fs.html>.

For more information on this rule you may contact Linda Rosen from the USEPA Region 5 office at 312-886-6810

**ALL QUESTIONS REGARDING THIS REGULATION SHOULD BE
ADDRESSED TO THE REGION V OFFICE OF THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY AT 312-886-6810.**
